To the Parent or Guardian: The following information is necessary for any student who uses medication in school.

- **Both the parent and healthcare provider portions of this form must be completed.**
- A new Medication Authorization form is required each school year and when there is a change in the medication.

- I authorize the student named above to have access to and use the medication as ordered above.
- I understand my student's epinephrine auto-injector will be stored in the school medication cabinet to ensure its availability and will have the assistance of trained staff as needed.

- If my student is determined capable to self-carry and self-administer by myself, the healthcare provider and the school nurse, then I authorize my student to carry and use their epinephrine auto-injector as prescribed above, at school and school events: yes no.
- I will instruct my child to inform school staff if he/she has used the auto-injector so school staff can immediately call 911.
  - I agree to provide the school with backup dose of epinephrine as required by law.

- I understand emergency medical service will be called if the epinephrine auto-injector is used. I understand the medication must be in the original container and properly labeled with student's name, date, prescriber's name, name of medication, dosage, strength, route and time of administration and drug expiration date.
- I assume responsibility for the safe delivery of the medication to school and will notify the school immediately with any medication changes.
- I authorize the school nurse to communicate with the student's healthcare provider as needed.
- I release and agree to hold the Diocese, its officials, and its employees harmless from any and all liability for damages or injury resulting directly or indirectly from this authorization.
